## DEFINITIONS OF DONATIONS

### **MEMORIAL/TRIBUTE BOOK DONATIONS**

Your donation will purchase one or more books which will be donated to the Library. The amount of donation determines the number of books. A bookplate is placed inside the cover of each book, naming the honored person, and acknowledgement of the tribute is sent to the family.

### **BOOK ENDOWMENT**

For a donation of \$500 to the Endowment Fund, a book is purchased EACH year on the subject of your choice and given to the Library. Possible subject choices could include: art, history, science, business, literature, sports, children, music, or large print editions. This one-time donation allows you to continue your gift of books to the Library into the future. A bookplate is placed inside your book honoring the donor or honoree. The Endowment can be established by an individual, a group, a family, a business, or an organization.

### **THE GIVING TREE**

The Giving Tree and aspen leaves were designed and sculpted by local artist Gus Flowers. This work of art is displayed on the main floor of the Twin Falls Public Library for all to enjoy.
